

## Connexions Expands into Settlement Services with Fast Flood Zone Determinations

**May 12, 2021** – Connexions, an Appraisal Management Software Company that delivers best-in-class automation, reporting, data analytics and integration to real estate valuations, is excited to announce that retail and wholesale lenders and credit unions, when entering orders on Connexions can now instantly know – for free – if the subject is in a flood zone. Connexions' clients can now automate the ordering of Life Of Loan Flood Certs result.

“Connexions is rolling out an exciting roadmap of enhancements and new products in 2021,” says Tom McCormick, President & CEO of Connexions. “By expanding into offering settlement products, Connexions is the first appraisal management software company to provide products that are tangential to the appraisal process but necessary in the lending industry.”

To learn more about Connexions and the new products that can automate the identification of flood zone properties, contact Connexions at [Sales@GetCNX.com](mailto:Sales@GetCNX.com).

### About Connexions
