

## CONNEXIONS ANNOUNCES INTEGRATION WITH THE ICE MORTGAGE TECHNOLOGY PLATFORM

Partnership enables lenders to access Connexions' Valuation Software through leading digital lending platform

**July 14, 2021** – [Connexions](#), a valuation software company that delivers best-in-class automation, reporting, data analytics and integration for real estate valuations, announced that its integration is now built on the latest Partner Connect API Platform and available through the ICE Mortgage Technology™ Platform. The seamless integration allows lenders to order Connexions' solutions directly therefore driving quality and efficiency in the loan origination process.

With this integration, Connexions now has the ability to release enhancements on their schedule instead of ICE Mortgage Technology's release schedule, can onboard new lenders using Encompass and AMC vendor partners faster and can deliver more complex appraisal management workflows and automation.

ICE Mortgage Technology combines technology, data and expertise to automate the entire mortgage process from consumer engagement through loan registration and every step and task in between. ICE Mortgage Technology is the leading cloud-based loan origination platform provider for the mortgage industry with solutions that enable lenders to originate more loans, lower origination costs, and reduce the time to close, all while ensuring the highest levels of compliance, quality, and efficiency.
