

Connexions Announces Integration with the Mortgage Director Platform

Jacksonville, Florida, **April 8, 2020** – Connexions is excited to announce a new integration with the Mortgage Director LOS, including the point-of-sale Broker Portal. Owned by Fiserv, the Mortgage Director platform is a leading provider of loan origination, mortgage loan application, and data security solutions for the mortgage sector. This new integration with Mortgage Director's loan origination software will allow lenders and brokers to directly submit orders to the Connexions platform.

The Mortgage Director loan origination software makes the lending experience seamless for lenders by offering point-of-sale applications, modern interface systems, automated underwriting options, as well as marketing data tools. Connexions' integration with their software will mean a more efficient mortgage lifecycle for the lenders in our ecosystem.

"Continuously evolving client expectations demand automation of manual tasks throughout the complete mortgage process," said Tom McCormick, President & CEO, Connexions. "By integrating with Mortgage Director's platform, we want to ensure that our clients are able to complete their loan origination processes with ease."

Mortgage Director's loan origination software holds a distinctive position in the market because of its web-based, user-friendly interface that is integrated with the software solution of many leading vendors in the mortgage industry.
