

NAS Announces Integration with Filogix

Markham, ON, **July 13, 2020** – Nationwide Appraisal Services (NAS), Canada’s largest SaaS platform for the appraisal industry and a leading global appraisal management company (AMC), is excited to announce a partnered integration with Filogix, a Finastra Company.

The integration with the Filogix Expert Marketplace makes it easier than ever before for brokers to order, manage and view appraisals. Brokers will benefit from added efficiencies when placing appraisal requests, saving the time and effort required to rekey information and making it easier to access easily accessing the new NAS broker pricing model.

“NAS is committed to seeking out strategic partnerships that will benefit NAS platform users,” says Tom McCormick, President & CEO of NAS. “Therefore, with the integration between NAS and the Filogix Expert Marketplace, we saw an unprecedented opportunity to better service our broker community by seamlessly incorporating our appraisal management services into the Filogix Expert Marketplace.”

Tim Rye, Vice President, Filogix is pleased to welcome NAS as the newest member of the Filogix Mortgage Marketplace. “As part of our commitment to open banking, we continue to expand our Marketplace to include more partners and provide more choice for our broker and lender network, along a seamless, secure and efficient path. NAS is a great partner to work with, providing a complete appraisal management system with innovative, customizable software solutions, that can now be accessed directly from Filogix Expert.”

About NAS

Nationwide Appraisal Services (NAS) was established in 1996 and is Canada’s leading Appraisal Management Company. NAS has consistently provided innovative, customizable software solutions designed for the mortgage industry. With Canada’s largest network of Real Estate Appraisers and superior customer service, NAS does more business than all of its Canadian competitors combined. Working closely with mortgage industry leaders in 23 countries and having managed over 9 million appraisals globally, NAS has pioneered the way the mortgage industry does business today and will continue to help to shape its future. **For more information, www.nationwideappraisals.com.**

About Filogix

Filogix, a Finastra Company, has served as the hub of the Canadian mortgage industry for almost two decades, offering secure, reliable connectivity to brokers and lenders. It provides trusted mortgage lending software solutions that enable the effective management of the sales process from origination through underwriting. Filogix’s open platform allows mortgage professionals to submit mortgage deals to the Filogix Lender network from their choice of front-end systems, and for lenders to receive applications regardless of the broker’s platform of choice.
